

Seventy-sevens of Years to Completion

Warning!!! The ten horns or the ten Islamic Arab nations against Israel are obliged by Islam's Quran to pray to Allah at specific times every day. In the last seven years of Daniel's prophecy and during the Fourth Beast's time of power it will be forbidden to pray to any other god, offer worship in any way and proselytize. To do so will mean certain death.

The truth of Daniel's prophecies will not be believed if any part of the prophecies are nullified (attempts to change the law and times) by false doctrine. The fact of the matter is that many changes of the law and times are present today among people who love the Lord but are caught in Satan's web of deceit. Jesus will say to them that he never knew them.

The following is the Biblical truth about Daniel's prophecy of seventy-sevens.

Daniel 9:24-27

24. Seventy weeks are determined upon your people and upon your holy city, to finish the transgression, and to make an end of sins, and to make reconciliation for iniquity, and to bring in everlasting righteousness, and to seal up the vision and prophecy, and to anoint the most Holy.

The remnant of Israel known as the 144,000 of the twelve tribes of Israel will be sealed by the Spirit of YHVH just before the 7th trumpet sounds. Rev. 7:1-8. They are the chosen to finish the transgression.

*Seventy weeks (Strong's Ref.)--H7620 שבעה שבועות *Shâbûa' , shâbûa' , shebû'âh, shaw-boo'-ah, shaw-boo'-ah, sheb-oo-aw'**

Properly passive participle of H7650 as a denominative of H7651; literally sevened, that is, a week (specifically of years): - seven, week.

25. Know therefore and understand, [that] after the going forth of the commandment to restore and to build Jerusalem unto the Messiah the Prince [shall be] seven weeks, and threescore and two weeks: the street shall be built again, and the wall, even in troublous times.

Time frame one: Seven sevens of weeks=49 years. The restored Jerusalem is dedicated to YHVH with the reading of the Law at the Feast of Ingathering (circa. 444B.C). Begin the countdown in the first year of the first seven weeks or 49 years.

Time frame two: Three score =sixty weeks + two weeks or 434 year when Jesus would be crucified. He ascended to his throne in heaven in the beginning of the chronological seventieth week.

*Time frame three: One seven=the last seven years is commonly known as the tribulation period. **It should be known as the times of the seven trumpets.** He will claim his kingdom at the sound of the 7th trumpet (a.k.a. the Great trump of YHVH and the last trumpet). Jesus will descend to complete the prophecy at the end of the seventieth week.*

THE PATTERN: 49 years is the pattern that forms the Sabbath and Jubilee framework for all three time frames. The prophetic last seven years is not immediately consecutive. It will be the last seven years of the last 49 years in the whole time plan. The pattern below does not have dates. Unfortunately, the historical dates for the dedication of Jerusalem's rebuilt walls and the accepted date of Jesus birth do not agree with YHVH's time plan below. YHVH's time plan is accurate. It is historical record that is in error. See graphic below.

The first 49 years stand alone as the pattern for the remaining years of the prophecy of seventy-sevens. The entire prophecy is based on Sabbath and Jubilee (the fiftieth year which is also Sabbath) which includes the Three Feasts of YHVH. The Three Feasts are: Unleavened Bread (Passover), Pentecost and Ingathering. Three times a year during the planting and harvesting seasons the people were to come to Jerusalem and honor YHVH with these Three Feasts. There are other feasts and convocations within the times of each of the three main feasts.

Daniel's prophecy is in three time frames totaling 490 years. The prophecy began in circa. 444B.C. It will take 2,450 years to fulfill the three time frames given regardless of historical record errors. The last seven years will begin in circa. 2048. The millennium will begin in circa. 2054. YHVH provided knowledge of the seasons and the time frames for his prophecies to be fulfilled. However, according to the Bible, YHVH is the only one who knows the day and the hour of the second coming of Christ. Jesus was crucified at Passover, fifty days later the Holy Spirit came at Pentecost and Jesus will return during the time of the Feast of Ingathering. See the timing countdown graphic at the bottom of this article. As stated, the historical dates may not be accurate.

DANIEL'S PROPHECY OF SEVENTY-SEVENS

#1 Pattern of 7 sevens	The cells in this block of years contain seven rows of seven years. Every seventh year is a Sabbath year. The fiftieth year (first year of each cell) is Jubilee, which is also a Sabbath year.

26. And after threescore and two weeks shall Messiah be cut off, but not for himself: and the people of the prince that shall come shall batter and corrupt the city and the sanctuary; and the end thereof [shall be] with a flood, and unto the end of the war desolations are determined.

The Hebrew word "shachath" translated to "destroy" also means decay, ruin, batter and corrupt.

Time frame two: *After 62 sevens or 434 years Messiah will die on the cross for the sins of mankind. Matthew 27:33-53 His crucifixion was at the beginning of the chronological seventieth week. The actual prophetic seventieth week begins six years prior to Christ's return.*

This prince is the Seleucid, Antiochus IV (Epiphanes) who did batter and corrupt the city and the sanctuary. This triggered the Maccabean Revolt. Antiochus IV ruled the Seleucid Empire from 175 BC until his death in 164. Daniel 11:3-28—Seleucid/Ptolomy history from 333 B.C. to 164 B.C. The destruction of Jerusalem and the Temple in 70 A.D. is part of history. It is not part of this prophecy.

27. And he shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make [it] desolate, even until the consummation, and that determined shall be poured upon the desolate.

Daniel 11:29—“At the appointed time” Enter the little horn in Syria where the Seleucid Empire was until 63 BC. It was struck a death blow by the Roman Empire. The Syrian will be the Fourth Beast (Antichrist) of the last seven years of the seventy-sevens. This Syrian ruler will make a covenant with many for seven years. It doesn't say who the covenant is with but according to the Bible the best candidates are the ten nations around Israel. The covenant will be to finally take over Jerusalem. They don't get the chance to fulfill their plan because YHVH will begin the 7 trumpet judgments as soon as the agreement is made. The seven trumpets will announce YHVH's judgments and warnings of Christ's soon coming during tribulation period.

The Global Sacrifice of Prayer

Since Jesus was the last sacrifice required by YHVH, the sacrifice here would be more global in the form of the sacrifice of prayer and giving to the work of YHVH. This is the time of apostasy during what is commonly called the Tribulation period. The Great Tribulation is the wrath of YHVH at the end.

Other missing corroborative Bible references are included in my many articles on the end times available on all four sites.
